

AVRILLE SAN DIEGO

Student

ABOUT ME

I am passionate about technology and driven by a desire to solve real-world problems through innovative digital solutions. With a solid foundation in programming, system development, and IT fundamentals, I enjoy working on projects that challenge my creativity and technical skills. I am eager to learn, grow, and contribute to meaningful tech solutions in a dynamic and fast-paced environment.

WORK EXPERIENCE

IT Support Assistant (Volunteer) 2022 – 2023

Barangay Hall, Capalangan, Pampanga

- Provided basic technical support for staff, including printer troubleshooting and file management.
- Backed up important files and organized digital records for easier access.
- Learned basic data privacy and handling practices.

Mobile App Developer (School Project Team) 2024 – 2025

Capstone Project, DHVSU

- Worked in a team to develop a mobile app prototype for student use, focusing on reading progress tracking.
- Contributed to documentation and testing during the development process.
- Presented the final project to faculty and peers, receiving positive feedback.
